

JLM-AE Industrial Pallet Truck Scale

Designed for rugged industrial and commercial applications, the JLM-AE/AU pallet truck scale facilitates the transport of items from one place to another. It is equipped with solid mild steel structure, non-marring wheels and a zero-radius pivoting handle. Come with the JLM-AE/AU, is the JIK-6CAB indicator which have a large LCD display with Green colour backlight. The indicator offers a wide range of features and functions to provide fast, accurate results. It can install with our optional Ukey wireless Bluetooth data transfer module for weight data transfer to PC/Laptop/Tablet.
